Solve For You Today?

Reduced Scrap | Product Quality

Faster Delivery | Increased Profitability

Wilson has the products and services to solve all of your motion control and filtration challenges.

MOTION CONTROL PRODUCTS

For more than 55 years, Wilson has been a leading fluid power distributor. Parker Hannifin recognizes us as a Technology Center for both Hydraulics and Pneumatics, providing access to the largest selection of high-quality motion control products in the industry. We also represent Stauff, ASA, Enerpac, Linde, Versa Valves, Clippard, Thomas and Proportion Air.

FLUID CONNECTOR PRODUCTS

Wilson is a Connector Technology Center for Parker Hannifin. We are the preferred fluid connector solution for partners that operate in the most demanding industries, such as chemical, food, pharmaceutical, primary metals, oilfield and construction. We also represent Colder Products, Dixon, Anchor Fluid Power, McDaniel Controls, Kuriyama, Noshok and Stauff.

VALUE ADDED SOLUTIONS

At Wilson, we don't just sell and ship products - we deliver a toolbox of value added solutions to help your business improve performance, increase profitability and focus on what you do best. From advanced 3D modeling and fabrication to hose assembly and system testing, every service our team performs is conducted in an ISO 9001 certified facility.

MAINTENANCE, REPAIR AND INSTALLATION SERVICES

Wilson provides on-site services including troubleshooting, equipment repair, maintenance planning and installation. Combined with an extensive in-house parts inventory, our services help you optimize processes and bring your equipment to life. We also provide hydraulic and pneumatic training in our classroom or at your facility.

At Wilson, we believe the right partner is as important as the right part.

Since 1965, we've combined motion control technologies of the highest quality and value with innovation to deliver solutions in motion. Our mission is to improve the lives of our associates, customers and community by committing to our company core values of Love, Serve and Care.
